Job Description:
Vice President
Societies and Sport

WELCOME.

Royal Holloway Students' Union (RHSU) exists for one simple reason: to make student life better at Royal Holloway. As a registered charity with a turnover of approximately £6m, it employs nearly 50 permanent staff and over 400 student staff, delivering a range of services from bars, shops, an advice centre, sports clubs, societies, media groups and supporting academic reps and campaigners.

The organisation is led by four elected student leaders (known as the sabbatical officers): the President, Vice President Education, Vice President Societies & Sport, and Vice President Wellbeing & Diversity.

Those who are successfully elected by their fellow students serve full-time in their role for one academic year – either as a sabbatical period (taking a break from their studies), or after completing their studies. To do so, sabbatical officers receive a full salary during their time in office as employees of the Students' Union.

RESPONSIBILITIES.

Each Sabbatical Officer has two related roles they must fulfil:

1. President or Vice President: acting as a leader and representative of students. This often involves working with other organisations (such as the College) to make sure they make decisions in the best interests of students.
2. Trustee: sitting as a member of the Students' Union's Board of Trustees (in the case of the President – chairing it), which oversees the strategic direction, financial stability and legal/reputational risks of the organisation.

The role of each sabbatical officer carries with it different responsibilities. You can read more about the specific duties of each position in the detailed job description below, but they all share broad duties which include:

>> AS A PRESIDENT OR VICE PRESIDENT

- Represent student views to the Students' Union, University and external stakeholders.
- Contribute to, and influence the College's strategy both through committee activity and more informal meetings with key staff, to ensure that student interests are effectively represented.
- Work closely with the other sabbatical officers on priority campaigns.
- Lead and facilitate student engagement with Executives (Education; Wellbeing, Community and Diversity; and Societies, Sports & Opportunities).
- Provide support for and help organise student-led campaigns on campus.

>> AS A TRUSTEE

- Ensure the financial stability and sustainability of the organisation.
- Ensure the organisation complies with its constitution, relevant charity law, and other pieces of legislation such as the Education Act 1994.
