

ROYAL HOLLOWAY STUDENTS' UNION

SUMMER BALL

On Friday 3 June, Royal Holloway Students' Union will host our biggest commercial event of the year, the Summer Ball. Set in stunning grounds within the historical Founder's Building quads, this established annual event sees 3000 students celebrate their end of year in style. With seven music arenas, DJs, bars and plenty of alternative entertainment, this is truly an event not to be missed.

SPONSORSHIP OPPORTUNITIES

THE STUDENT MARKET

Students are constantly deciding which brands to buy, use and trust for the first time, so attracting them to your product or service has a huge potential for generating long-term brand loyalty. There are 2.2 million students in the UK, each spending on average around £10,000 per year and they make up the most profitable group in the 18-24 age bracket.

WHO YOUR MESSAGE WILL REACH

Royal Holloway has an extremely diverse student body. With highly affluent and internationalised students studying subjects ranging from Astrophysics to Classical Studies we are number nine in the UK for international outlook. A pioneering college for women, Royal Holloway's population of over 9000 students is roughly split as 42% male and 58% female.
