We're here to make student life better at Royal Holloway

Recruitment Pack: Graduate Advisor
Welcome.

The Students’ Union’s Advice Centre is a key service for all students at Royal Holloway, providing free, independent and impartial advice. We’re here to support students on a whole range of issues, free from judgement.

Over the past four years we have successfully advertised our service and its reach and impact within the institution; this means we have seen an increase on our case load, and now we are looking to ensure our great service continues with more resources.

We have traditionally specialised in academic and housing advice, but we also offer guidance on just about everything that may affect a student while they are on their university journey. If we are not best placed to advise, we will endeavour to find the people who can as we know how important it is for students to be supported.

The successful candidate will be supported and trained so that they can become an experienced advisor and really help students to deal with their issues whilst supporting the Union’s work in creating real change. It is an exciting opportunity to work with a diverse range of students and be part of a team that genuinely wants to make a difference to students’ lives.

Have a look through the rest of this pack for more specific information about the role and the organisation and if you’d like an informal chat, email me at daniel.curran@su.rhul.ac.uk.

Dan Curran
Head of Membership Services
A bit about us.

The Students’ Union is a student-led organisation that represents 12,000+ students at Royal Holloway, University of London. The activities and services we offer are really wide-ranging and include things like supporting c.140 student-led sports clubs and societies, and ensuring academic representation on every course. We offer free and independent advice through our professional Advice Centre, put on loads of free events with our Give It A Go programme, and run a shop, a pub, a couple of bars and a nightclub to fulfil students’ social life on campus.

We’re independent from the University.

While we work really closely with departments from all across the University, we are a separate organisation. This is important for several reasons, but mainly it means that if students have a problem while studying - whether that is their course, accommodation, or other issues, they can come and talk to us. And they can do this in the confidence that we can take up the issue with the University and help to resolve it.

Our leadership.

We’re a democratic, membership organisation and all students at Royal Holloway are automatically members of the Union. Overall legal responsibility for the Students’ Union rests with our Board of Trustees which is made up of four full-time sabbatical officers, three student trustees and five external trustees.

The sabbatical officers are elected each year by, and from, the student membership of the University. They take a year out of their studies (or immediately after graduating) to take on a full-time paid staff role and to serve as a trustee.

The President of the Union (one of the four sabbatical officers) is the Chair of the Board of Trustees. They are responsible for chairing the meetings of the Board, leading the performance management of the Chief Executive and acting as lead ambassador of the Union to external stakeholders and the wider public.

Our 23/24 officers.

Every year the student body elects four sabbatical officers to work full-time in the Students’ Union for a year.

They work on a range of issues relating to student life, listening to student thoughts and opinions while running campaigns and working with the relevant people and bodies to implement positive policy changes.

Each officer has a portfolio area that sees them take on responsibility for a different area within the organisation, together deciding its strategic direction.

Our strategy.

Our mission is simple: we’re here to make student life better at Royal Holloway.

We review our strategic plan every two years to ensure we’re focusing on the right areas, with our current plan taking us through to 2024 and focusing on the following five aims:

1. Improve students’ education
2. Make campus fun
3. Look after students’ wellbeing
4. Make students more employable
5. Empower students to change the world around them

But we don’t simply focus on what we do, we also care about how we do it and recruiting the right people is critical to our achievement of this.

You can read the full plan at su.rhul.ac.uk/strategy.

Our values.

We have five values that people across the organisation share. They represent the expectations we have for ourselves and each other, they guide our day-to-day decisions and the behaviours that we champion.

Student focused.

We understand without doubt that we exist for our members. We make sure we know how their needs are changing. We adapt.

High quality.

Quality is fundamental to achieving results. We go above and beyond expectations. We channel our energy into making things better and change or stop things that aren’t working.

Inclusive.

We champion and celebrate the importance of diversity, equality and liberation consistently through our work. We are ambassadors for our organisation and speak out if something is not right.

Brave.

We embrace change and opportunity and we are not afraid to try new things. We are ambitious and constantly look for new approaches to doing things.

Trustworthy.

We make decisions based on our values and take responsibility for them, admitting if we get something wrong. We communicate with integrity, even when the message might be difficult.
Benefits.

Get that work life balance right.

We’re really passionate about our staff members being able to enjoy life outside of the workplace so we’ve built up an annual leave package and flexible working arrangement that stands up as one of the best in the sector.

First up, you can forget about working over Christmas and New Year ever again as we give you up to seven discretionary days over the festive period. And, that’s on top of the 22 annual days of contractual leave you get a year (rising by one day each year up to a maximum of 27 days) plus bank holidays, for a total of at least 37 days off a year.

That’s not all. Should your birthday fall on a work day you’ll also get that off as well so you can do something fun. On top of this we also offer:

- 1pm finishes on alternate Fridays during July and August
- Assisted conception leave
- 18 weeks full pay maternity leave
- 4 weeks full pay partners leave (with an additional two weeks at 50% pay)

Away from annual leave we’ll always try and be flexible around your life where possible. Need to pick up the kids from school? We’ll look at how we can make that work. Got to get the car in for its MOT? We can sort out a late start.

There’s loads of little bits like this that come up in life and we’re always willing to ensure you don’t have to fret about what that means for your job. We’re also pretty flexible with our working day and open to discussing all options that may be on the table.

Talking about discounts, we also offer free hot drinks from our bar if you fancy a midday pick me up.

More freebies than you can shake a stick at.

Freshers’ Festival is famous for the amount of free stuff that students get their hands on and as a staff member at the SU you’ll also have a chance at getting in on the action. Free pizza, bottle openers, pot noodles, protein powder... you get the idea.

Alongside this, every staff member gets four free tickets to our Summer Ball (worth £300) which is held in Founder’s Building every June. Think of it as a huge one day festival with 3500 students, two major stages with headliners such as Rudimental and Chase and Status, food stalls, fun fair rides and more. And if you drive to work you’ll also get free parking on campus. Sometimes it’s the small things that matter most.
Development and training for days.

We’re all about professional development here at the SU, so we put aside specific training and development budgets to ensure you can build your knowledge and be set up for future success.

We also believe in offering academic opportunities to staff and will support you in your pursuit of qualifications. This extends to financial support alongside study leave to ensure you have the time you require to exceed and excel.

Make a difference.

You’ll be working for an organisation that tackles the big issues on campus but one that has a great time doing it. You’ll be joining a team of smart, friendly people who really care about the sector they work in where everything they do has a direct impact on the experience of over 11,000 students at Royal Holloway.

Despite the hard work, it’s a sociable environment where we value the interactions between our team, be that at our monthly coffee and pastry catch-ups or at the pub after a busy week.

Get fit and have fun.

Fancy cycling to work? We have a ride to work scheme to help you purchase a new bike for your commute - there’s also a season ticket loan scheme should you get the train in. And if hitting the weights is more your scene, we offer reduced price gym membership at the on campus sports centre.

And last but not least.

Should you live over 100 miles away, we offer a relocation assistance package of up to £1500 to individuals moving within 30 miles of Egham.

Finally, we want you to have peace of mind while working at the Students’ Union and offer a death in service benefit, the cost of which is covered by the organisation. This is equal to four times your annual salary which is paid to your nearest or nominated relation should the worst happen.
