Our strategy.

Our overall mission is to make student life better at Royal Holloway but how do we achieve this?

Through our strategy: Building Community, Leading Change for 2024-2027.

Strategic Aims:

- Building Communities for all Students
- Building Stronger Student Voice and Representation
- Providing Inclusive Activity and Spaces
- Providing Advice and Advocating for Students

Enabling Themes:

- People and Culture
- Physical and Digital Infrastructure
- Well-Governed and Sustainable

Enabling our purpose and strategic aims, these areas form the backbone of our plan. Firstly, we must recruit great people who share our values and believe in our mission, fostering a collaborative and inclusive culture. Next, we must get our governance in order and invest in our physical and digital infrastructure to ensure it is fit for purpose. We also need to think sustainably in our everyday practices to ensure RHSU and the environment can thrive for years to come.
