Welcome.

Royal Holloway Students' Union (RHSU) is an ambitious organisation that has students at the heart of our aims: to improve their education, make campus fun, look after their wellbeing, make them more employable, and ultimately empower them to change the world around them

That's where you come in. By downloading this pack you've taken the first steps towards joining the team, be that pulling pints behind the bar, working in the Union Shop, being the welcoming face behind our Helpdesk or putting the creative touches to our marketing collateral, there's a ton of opportunities available to everyone.

In fact, we employ over 400 students every year, putting more than half a million pounds back into their pockets and helping them to develop a bunch of new skills. Working here comes with some great benefits, such as the ability to pick shifts that suit your academic schedule and other life priorities, as well as the opportunity to widen your social network and make some friends for life.

If this sounds good to you then read on. The rest of this guide covers a lot about the Students' Union, how we work, our strategy and our values, as well as details about how to apply.

A bit about us.

The Students' Union is a student-led organisation that represents 11,000 plus students at Royal Holloway University. The activities and services we offer are really wide-ranging and include things like supporting c.130 student-led sports clubs and societies, ensuring academic representation on every course, offering free and independent advice through our professional Advice Centre, putting on loads of free events with our Give It A Go programme, and running a shop, a pub, a couple of bars and a nightclub to fulfil students' social life on campus.

We're a charity (charity no: 1141998) registered with the Charity Commission. Why does this matter? Well it means that any profit we make through our trading or membership services gets reinvested into services that help students during their time at Royal Holloway. That covers everything from funding societies to running national voter registration drives.

We're independent from the University.

While we work really closely with departments from all across the College, we are a separate organisation. This is important for several reasons, but mainly it means that if students have a problem while studying - whether that is their course, accommodation, or other issues, they can come and talk to us. And they can do this in the confidence that we can take up the issue with the University and help to resolve it.

Our leadership.

We're a democratic, membership organisation and all students at Royal Holloway are automatically members of the Union. Overall legal responsibility for the Students' Union rests with our Board

of Trustees which is made up of four full-time sabbatical officers, three student trustees and five external trustees.

The sabbatical officers are elected each year by, and from, the student membership of the University. They take a year out of their studies (or immediately after graduating) to take on a full-time paid staff role and to serve as a trustee.

The President of the Union (one of the four sabbatical officers) is the Chair of the Board of Trustees. They are responsible for chairing the meetings of the Board, leading the performance management of the Chief Executive and acting as lead ambassador of the Union to external stakeholders and the wider public.

Our management.

Acting as Secretary to the Board of Trustees, it is the role of the Chief Executive to ensure effective and efficient strategic and operational leadership of the Students' Union. In conjunction with the President, the position must balance the need to drive and deliver sustainable income streams with ensuring continuous improvement of student satisfaction, engagement and representation.

The role works closely with the elected officers supporting them to ensure that the vision, goals and core values of the Students' Union are achieved.

The Chief Executive is supported by a professional senior management team who has specific responsibilities for implementing the day-to-day management of Membership Support & Engagement, Trading Services, Marketing & Communications and Finance & Resourcing.

We employ a full-time team of 50 permanent staff and approximately 400 casual student staff.

Our finances.

The Students' Union has two main sources of income – an annual grant from the University and the income generated through our trading services. We are a charity and a not-for-profit organisation. All surplus generated within the organisation is reinvested into the facilities and services provided across the organisation for our members.

We represent students.

This means that the sabbatical officers sit on university committees and pass on students' opinions about decisions and changes. They also meet with the local council and other stakeholders to tell them what students think on certain issues.

Our services.

We're pretty active across campus supporting over 130 sports clubs and societies, representing students and their views, running our independent advice centre, serving up burgers in Tommy's Kitchen, hosting events across Medicine and the main SU building and providing a convenient place to shop for groceries.

Our departments.

We have four distinct departments: Membership, Support & Engagement; Trading Services; Marketing & Communications and Finance & Resourcing.

Membership, Support and Engagement.

Forming the backbone of the organisation, Membership Support and Engagement includes Student Opportunities, Student Voice, Advice, and the Union Helpdesk.

All the administration for sports clubs and societies, academic course representation and social media management are just a few things run through here.

Trading Services.

The Ronseal department. It covers every area where the Union is operating commercially, from Tommy's Kitchen, Medicine and The Packhorse to the Union Shop and big ticket events like the Summer Ball.

They're the biggest employers of student staff in the organisation and their small army of 300+ staff make sure the drinks keep flowing on our regular club nights which see 1600 students descend on the SU twice a week.

Finance and Resourcing.

This department is responsible for processing the £6 million annual turnover that the organisation generates, ensuring we remain on a stable financial footing. They also support our HR function who are tasked with the recruitment of our 400 strong staff team.

Marketing and Communications.

Getting our message out to our members in the spaces in which they operate is key to our success. It's the job of this department to know what to say and when to say it, all the while ensuring we look great while doing it.

Our 22/23 officers.

Every year the student body elects four sabbatical officers to work full-time in the Students' Union for a year.

They work on a range of issues relating to student life, listening to student thoughts and opinions while running campaigns and working with the relevant people and bodies to implement positive policy changes.

Each officer has a portfolio area that sees them take on responsibility for a different area within the organisation, together deciding its strategic direction.

Maia Jarvis - President

The Students' Union President is the Chair of the Board of Trustees, sits on the highest decision-making committee at Royal Holloway, College Council, and is the figurehead of the Students' Union.

Shrijeet Shrey - Vice President Education

Not only is the Vice President Education the Deputy President of the Students' Union but they also sit on a number of high-level committees including Academic Board where the academic strategy of the College is decided.

Zee Iqbal - Vice President Wellbeing & Diversity

With a focus on liberation campaigns, mental and physical health provision and general wellbeing issues, the Vice President Wellbeing & Diversity is a key voice for campaigning on campus.

Hannah Hockin - Vice President Societies & Sport

The Vice President Societies & Sport has joint overall responsibility for developing the support the Students' Union offers to student groups on campus.
