RECRUITMENT PACK:
MEMBERSHIP EVENTS COORDINATOR
Royal Holloway Students’ Union (RHSU) is an ambitious organisation that has students at the heart of our aims: to improve their education, make campus fun, look after their wellbeing, make them more employable, and ultimately empower them to change the world around them.

The Student Opportunities team plays a key role in delivering these aims, with a particular focus on making campus fun. The team supports over 140 sports clubs, societies and media outlets, as well as putting on a number of different events throughout the year. From day trips and ‘crafternoons’ as part of the Give It A Go (GIAG) programme to large-scale group events, the team focuses on providing students with a variety of opportunities to get involved in.

As our Membership Events Coordinator, you will play a leading role in developing the GIAG programme to ensure there are a number of events for students to participate in all year round. You’ll also work closely with the elected sabbatical officer team, helping them to deliver events for liberation history months as well as their own campaigns.

You’ll work with the rest of the Student Opportunities team in supporting the events of our student groups through building effective events training and guiding committee members on how to run a successful event. As well as this, you’ll organise a number of key large-scale events that are a central part of the Students’ Union calendar such as our annual Freshers’ Fair and awards ceremonies where we reward and recognise our student leaders.

Some experience in events and a passion to improve student experience is all you need to be a real success in this exciting and rewarding area of work.

Have a look through the rest of this pack for more specific information about the role and the organisation, and if you’d like an informal chat feel free to contact me at laura.black@su.rhul.ac.uk.

Student Opportunities Manager
A bit about us.

The Students’ Union is a student-led organisation that represents 11,000 plus students at Royal Holloway University. The activities and services we offer are really wide-ranging and include things like supporting c.130 student-led sports clubs and societies, ensuring academic representation on every course, offering free and independent advice through our professional Advice Centre, putting on loads of free events with our Give it A Go programme, and running a shop, a pub, a couple of bars and a nightclub to fulfill students’ social life on campus.

We’re a charity (charity no: 1141998) registered with the Charity Commission. Why does this matter? Well it means that any profit we make through our trading or membership services gets reinvested into services that help students during their time at Royal Holloway. That covers everything from funding societies to running national voter registration drives.

We’re independent from the University.

While we work really closely with departments from all across the College, we are a separate organisation. This is important for several reasons, but mainly it means that if students have a problem while studying - whether that is their course, accommodation, or other issues, they can come and talk to us. And they can do this in the confidence that we can take up the issue with the University and help to resolve it.

Our leadership.

We’re a democratic, membership organisation and all students at Royal Holloway are automatically members of the Union. Overall legal responsibility for the Students’ Union rests with our Board of Trustees which is made up of four full-time Sabbatical Officers, three student trustees and five external trustees.

The Sabbatical Officers are elected each year by, and from, the student membership of the University. They take a year out of their studies (or immediately after graduating) to take on a full-time paid staff role and to serve as a trustee.

The President of the Union (one of the four sabbatical officers) is the Chair of the Board of Trustees. They are responsible for chairing the meetings of the Board, leading the performance management of the Chief Executive and acting as lead ambassador of the Union to external stakeholders and the wider public.

Our management.

Acting as Secretary to the Board of Trustees, it is the role of the Chief Executive to ensure effective and efficient strategic and operational leadership of the Students’ Union. In conjunction with the President, the position must balance the need to drive and deliver sustainable income streams with ensuring continuous improvement of student satisfaction, engagement and representation.

The role works closely with the elected officers supporting them to ensure that the vision, goals and core values of the Students’ Union are achieved.

The Chief Executive is supported by a professional senior management team who has specific responsibilities for implementing the day-to-day management of Membership Support & Engagement, Trading Services, Marketing & Communications and Finance & Resourcing.

We employ a full-time team of 50 permanent staff and approximately 400 casual student staff.

Our finances.

The Students’ Union has two main sources of income – an annual grant from the University and the income generated through our trading services. We are a charity and a not-for-profit organisation. All surplus generated within the organisation is reinvested into the facilities and services provided across the organisation for our members.

We represent students.

This means that the sabbatical officers sit on university committees and pass on students’ opinions about decisions and changes. They also meet with the local council and other stakeholders to tell them what students think on certain issues.

Our services.

We’re pretty active across campus supporting over 130 sports clubs and societies, representing students and their views, running our independent advice centre, serving up burgers in Tommy’s Kitchen, hosting events across Medicine and the main SU building and providing a convenient place to shop for groceries.

Our departments.

We have four distinct departments: Membership, Support and Engagement; Trading Services; Marketing & Communications and Finance & Resourcing.

Membership, Support and Engagement.

Forming the backbone of the organisation, Membership Support and Engagement includes Student Opportunities, Student Voice, Advice, and the Union Helpdesk.

All the administration for sports clubs and societies, academic course representation and social media management are just a few things run through here.

Trading Services.

The Ronseal department. It covers every area where the Union is operating commercially, from Tommy’s Kitchen, Medicine and The Packhorse to the Union Shop and big ticket events like the Summer Ball.

They’re the biggest employers of student staff in the organisation and their small army of 300+ staff make sure the drinks keep flowing on our regular club nights which see 1600 students descend on the SU twice a week.

Finance and Resourcing.

This department is responsible for processing the £6 million annual turnover that the organisation generates, ensuring we remain on a stable financial footing. They also support our HR function who are tasked with the recruitment of our 400 strong staff team.

Marketing and Communications.

Getting our message out to our members in the spaces in which they operate is key to our success. It’s the job of this department to know what to say and when to say it, all the while ensuring we look great while doing it.
Every year the student body elects four Sabbatical Officers to work full-time in the Students’ Union for a year.

They work on a range of issues relating to student life, listening to student thoughts and opinions while running campaigns and working with the relevant people and bodies to implement positive policy changes.

Often referred to simply as ‘The Sabbs’, they are either students who have interrupted their studies to take a year out of their course, or individuals who are undertaking the role in the year after they graduate.

Our strategy.

Our mission is simple: we’re here to make student life better at Royal Holloway.

We review our strategic plan every two years to ensure we’re focusing on the right areas, with our current plan taking us through to 2022 and focusing on the following five aims:

1. Improve students’ education
2. Make campus fun
3. Look after students’ wellbeing
4. Make students more employable
5. Empower students to change the world around them

But we don’t simply focus on what we do, we also care about how we do it and recruiting the right people is critical to our achievement of this.

You can read the full plan at su.rhul.ac.uk/strategy

Our values.

We have five values that people across the organisation share. They represent the expectations we have for ourselves and each other, they guide our day-to-day decisions and the behaviours that we champion.

Student focused.

We understand without doubt that we exist for our members. We make sure we know how their needs are changing. We adapt.

High quality.

Quality is fundamental to achieving results. We go above and beyond expectations. We channel our energy into making things better and change or stop things that aren’t working.

Inclusive.

We champion and celebrate the importance of diversity, equality and liberation consistently through our work. We are ambassadors for our organisation and speak out if something is not right.

Brave.

We embrace change and opportunity and we are not afraid to try new things. We are ambitious and constantly look for new approaches to doing things.

Trustworthy.

We make decisions based on our values and take responsibility for them, admitting if we get something wrong. We communicate with integrity, even when the message might be difficult.
Benefits.

Get that work life balance right.

We’re really passionate about our staff members being able to enjoy life outside of the workplace so we’ve built up an annual leave package and flexible working arrangement that stands up as one of the best in the sector.

First up, you can forget about working over Christmas and New Year ever again as we give you up to seven discretionary days over the festive period. And, that’s on top of the 22 annual days of contractual leave you get a year (rising by one day each year up to a maximum of 27 days) plus bank holidays, for a total of at least 37 days off a year.

That’s not all. Should your birthday fall on a work day you’ll also get that off as well so you can do something fun. On top of this we also offer:

- Assisted conception leave
- 18 weeks full pay maternity leave
- 4 weeks full pay partners leave (with an additional two weeks at 50% pay)

Away from annual leave we’ll always try and be flexible around your life where possible. Need to pick up the kids from school? We’ll look at how we can make that work. Got to get the car in for its MOT? We can sort out a late start.

There’s loads of little bits like this that come up in life and we’re always willing to ensure you don’t have to fret about what that means for your job. We’re also pretty flexible with our working day and open to discussing all options that may be on the table.

Lap up those student discounts.

Ever get jealous you can’t get discounted Spotify? Well, that’s a thing of the past as we dish up a free TOTUM card for all staff members, opening up the door to a world of student discounts and special offers.

Talking about discounts, you’ll also get 10% off food and drink across our venues - we also do free hot drinks from the bar if you fancy a midday pick me up.

More freebies than you can shake a stick at.

Freshers’ Festival is famous for the amount of free stuff that students get their hands on and as a staff member at the SU you’ll also have a chance at getting in on the action. Free pizza, bottle openers, pot noodles, protein powder... you get the idea.

Alongside this, every staff member gets four free tickets to our Summer Ball (worth £300) which is held in Founder’s Building every June. Think of it as a huge one day festival with 3500 students, two major stages with headliners such as Rudimental and Chase and Status, food stalls, fun fair rides and more.

And if you drive to work you’ll also get free parking on campus. Sometimes it’s the small things that matter most.

Development and training for days.

We’re all about professional development here at the SU, so we put aside specific training and development budgets to ensure you can build your knowledge and be set up for future success.

We also believe in offering academic opportunities to staff and will support you in your pursuit of qualifications. This extends to financial support alongside study leave to ensure you have the time you require to exceed and excel.
Make a difference.

You’ll be working for an organisation that tackles the big issues on campus but one that has a great time doing it. You’ll be joining a team of smart, friendly people who really care about the sector they work in where everything they do has a direct impact on the experience of over 10,000 students at Royal Holloway.

Despite the hard work, it’s a sociable environment where we value the interactions between our team, be that at our monthly coffee and pastry catch-ups or at the pub after a busy week.

Get fit and have fun.

Fancy cycling to work? We have a ride to work scheme to help you purchase a new bike for your commute - there’s also a season ticket loan scheme should you get the train in. And if hitting the weights is more your scene, we offer reduced price gym membership at the on campus sports centre.

In the summer you’ll get the chance to take part in our annual rounders tournament that’s totally not competitive at all... well maybe just a little.

And last but not least.

Should you live over 100 miles away, we offer a relocation assistance package of upto £1500 to individuals moving within 30 miles of Egham.

Finally, we want you to have peace of mind while working at the Students’ Union and offer a death in service benefit, the cost of which is covered by the organisation. This is equal to four times your annual salary which is paid to your nearest or nominated relation should the worst happen.
