WE'RE HERE TO MAKE STUDENT LIFE BETTER AT ROYAL HOLLOWAY

RECRUITMENT PACK:

STUDENT STAFF

OCTOBER 2023
Welcome.

Royal Holloway Students’ Union (RHSU) is an ambitious organisation that has students at the heart of our aims: to improve their education, make campus fun, look after their wellbeing, make them more employable, and ultimately empower them to change the world around them.

That’s where you come in. By downloading this pack you’ve taken the first steps towards joining the team, be that pulling pints behind the bar, working in the Union Shop, being the welcoming face behind our Helpdesk or putting the creative touches to our marketing collateral, there’s a ton of opportunities available to everyone.

In fact, we employ over 400 students every year, putting more than half a million pounds back into their pockets and helping them to develop a bunch of new skills. Working here comes with some great benefits, such as the ability to pick shifts that suit your academic schedule and other life priorities, as well as the opportunity to widen your social network and make some friends for life.

If this sounds good to you then read on. The rest of this guide covers a lot about the Students’ Union, how we work, our strategy and our values, as well as details about how to apply.

If you have any questions about any of the roles, please don’t hesitate to get in touch with us at surecruitment@su.rhul.ac.uk.
Our leadership.

We’re a democratic, membership organisation and all students at Royal Holloway are automatically members of the Union. Overall legal responsibility for the Students’ Union rests with our Board of Trustees which is made up of four full-time sabbatical officers, three student trustees and five external trustees.

The sabbatical officers are elected each year by, and from, the student membership of the University. They take a year out of their studies (or immediately after graduating) to take on a full-time paid staff role and to serve as a trustee.

The President of the Union (one of the four sabbatical officers) is the Chair of the Board of Trustees. They are responsible for chairing the meetings of the Board, leading the performance management of the Chief Executive and acting as lead ambassador of the Union to external stakeholders and the wider public.

Our management.

Acting as Secretary to the Board of Trustees, it is the role of the Chief Executive to ensure effective and efficient strategic and operational leadership of the Students’ Union. In conjunction with the President, the position must balance the need to drive and deliver sustainable income streams with ensuring continuous improvement of student satisfaction, engagement and representation.

The role works closely with the elected officers supporting them to ensure that the vision, goals and core values of the Students’ Union are achieved.

The Chief Executive is supported by a professional senior management team who has specific responsibilities for implementing the day-to-day management of Membership Engagement, Trading Services, Marketing & Communications and Finance.

We employ a full-time team of 50 permanent staff and approximately 400 casual student staff.

Our finances.

The Students’ Union has two main sources of income – an annual grant from the University and the income generated through our trading services. We are a charity and a not-for-profit organisation. All surplus generated within the organisation is reinvested into the facilities and services provided across the organisation for our members.

We represent students.

This means that the sabbatical officers sit on university committees and pass on students’ opinions about decisions and changes. They also meet with the local council and other stakeholders to tell them what students think on certain issues.

Our services.

We’re pretty active across campus supporting over 140 sports clubs and societies, representing students and their views, running our independent advice centre, serving up burgers in Tommy’s Kitchen, hosting events across Medicine and the main SU building and providing a convenient place to shop for groceries.

Our departments.

Membership Engagement.

Forming the backbone of the organisation, Membership Engagement includes Student Opportunities, Student Voice, Advice, and the Union Helpdesk.

All the administration for sports clubs and societies, academic course representation and our Advice Centre services are just a few things run through here.

Trading Services.

The Ronseal department. It covers every area where the Union is operating commercially, from Tommy’s Kitchen, Medicine and The Packhorse to the Union Shop and big ticket events like the Summer Ball.

They’re the biggest employers of student staff in the organisation and their small army of 300+ staff make sure the drinks keep flowing on our regular club nights which see 1400+ students descend on the SU twice a week.

Finance.

This department is responsible for processing the multi-million pound annual turnover that the organisation generates, ensuring we remain on a stable financial footing. They also support our HR function who are tasked with the recruitment of our 400 strong staff team.

Marketing & Communications.

Getting our message out to our members in the spaces in which they operate is key to our success. It’s the job of this department to know what to say and when to say it, all the while ensuring we look great while doing it.
Our 23/24 officers.

Every year the student body elects four sabbatical officers to work full-time in the Students’ Union for a year.

They work on a range of issues relating to student life, listening to student thoughts and opinions while running campaigns and working with the relevant people and bodies to implement positive policy changes.

Each officer has a portfolio area that sees them take on responsibility for a different area within the organisation, together deciding its strategic direction.

Hannah Hockin
President

The Students’ Union President is the Chair of the Board of Trustees, sits on the highest decision-making committee at Royal Holloway, College Council, and is the figurehead of the Students’ Union.

Sharanya Sivarajah
VP Education

Not only is the Vice President Education the Deputy President of the Students’ Union but they also sit on a number of high-level committees including Academic Board where the academic strategy of the University is decided.

Nisha Bundhun
VP Wellbeing & Diversity

With a focus on liberation campaigns, mental and physical health provision and general wellbeing issues, the Vice President Wellbeing & Diversity is a key voice for campaigning on campus.

Alastair Copland
VP Societies & Sport

The Vice President Societies & Sport has joint overall responsibility for developing the support the Students’ Union offers to student groups on campus.
There are four departments, each headed by a senior manager. Within these, a number of functional teams exist, each managed by a line manager.

The senior management team is made up of:

Chief Executive: **Tony Logan**
Chief Operations Officer: **Max Ross**
Head of Membership Support & Engagement: **Daniel Curran**
Head of Finance & Digital Transformation: **Katie Marriner**
Our strategy.

Our mission is simple: **we’re here to make student life better at Royal Holloway.**

We review our strategic plan every two years to ensure we’re focusing on the right areas, with our current plan taking us through to 2024 and focusing on the following five aims:

1. Improve students’ education
2. Make campus fun
3. Look after students’ wellbeing
4. Make students more employable
5. Empower students to change the world around them

But we don’t simply focus on what we do, we also care about how we do it and recruiting the right people is critical to our achievement of this.

You can read the full plan at [su.rhul.ac.uk/strategy](http://su.rhul.ac.uk/strategy).

Our values.

We have five values that people across the organisation share. They represent the expectations we have for ourselves and each other, they guide our day-to-day decisions and the behaviours that we champion.

**Student focused.**

We understand without doubt that we exist for our members. We make sure we know how their needs are changing. We adapt.

**High quality.**

Quality is fundamental to achieving results. We go above and beyond expectations. We channel our energy into making things better and change or stop things that aren’t working.

**Inclusive.**

We champion and celebrate the importance of diversity, equality and liberation consistently through our work. We are ambassadors for our organisation and speak out if something is not right.

**Brave.**

We embrace change and opportunity and we are not afraid to try new things. We are ambitious and constantly look for new approaches to doing things.

**Trustworthy.**

We make decisions based on our values and take responsibility for them, admitting if we get something wrong. We communicate with integrity, even when the message might be difficult.
