A bit about us.

The Students' Union is a student-led organisation that represents 13,000+ students across our Egham and Central London campuses. The activities and services we offer are really wide-ranging and include things like supporting over 160 student-led Communities, and ensuring we represent students' academic interests. We offer free and independent advice through our professional Advice Centre, put on loads of free events with our Give It A Go programme, and run a shop, a pub and a nightclub to fulfil students' social life on campus.

We're a charity (charity no: 1141998) registered with the Charity Commission. Why does this matter? Well it means that any profit we make through our commercial or membership services gets reinvested into services that help students during their time at Royal Holloway. That covers everything from funding societies to running national voter registration drives.

We're independent from the University.

While we work really closely with departments from all across the University, we are an independent organisation. This is important for several reasons, but mainly it means that if students have a problem while studying - whether that is their course, accommodation, or other issues, they can come and talk to us. And they can do this in the confidence that we can take up the issue with the University and help to resolve it.

Our leadership.

We're a democratic, membership organisation and all students at Royal Holloway are automatically members of the Union. Overall legal responsibility for the Students' Union rests with our Board of Trustees which is made up of four full-time Sabbatical Officers, three student trustees and five lay trustees.

The Sabbatical Officers are elected each year by, and from, the student membership of the University. They take a year out of their studies (or immediately after graduating) to take on a full-time paid staff role and to serve as a trustee.

The President of the Union (one of the four Sabbatical Officers) is the Chair of the Board of Trustees. They are responsible for chairing the meetings of the Board, leading the performance management of the Chief Executive and acting as lead ambassador of the Union to external stakeholders and the wider public.

Our management.

The Chief Executive Officer is responsible for providing effective strategic and operational leadership to ensure the successful delivery of RHSU's mission, vision, and organisational priorities.

In conjunction with the President, the position must balance the need to drive and deliver sustainable income streams with ensuring continuous improvement of student satisfaction, engagement and representation. The role works closely with the elected officers supporting them to ensure that the vision, goals and core values of the Students' Union are achieved.

The Chief Executive Officer is supported by a professional Senior Leadership Team which has specific responsibilities for implementing the day-to-day management of the Union. We employ a full-time team of c.50 permanent staff an average of 250 student staff. Last year, we paid over £800k into students' pockets through employment opportunities with us.

Our finances.

The Students' Union has two main sources of income – an annual grant from the University and the income generated through our Commercial Services. We are a charity and a not-for-profit organisation. All surplus generated within the organisation is reinvested into the facilities and services provided across the organisation for our members.

We represent students.

Leading on research and insight that can positively influence students' academic and co-curricular student experience, we ensure effective representation locally, regionally and nationally. Our Sabbatical Officers sit on University committees and engage with key stakeholders to ensure we build stronger student voice and advocate for students.

Our departments.

We have three distinct departments: Community Engagement; Commercial and Building Services; Finance and Resources.

Community Engagement.

Forming the backbone of the organisation, Community Engagement includes Student Opportunities, Student Voice, the Advice Centre, Union vv and Marketing & Communications departments.

This is a wide-ranging area that encompasses academic representation, elections, and supporting our 160 student-led Communities which range from societies, media outlets and sports clubs to our inclusion and academic communities.

Commercial and Building Services.

We operate a range of commercial services to enhance student experience on campus: the SU Venue, The Packhorse, and the Union Shop.

These services enable us to employ an average of 250 student staff who gain valuable transferable skills, as well as lifelong friendships.

We also run a weekly Market Day during term time featuring bread and pastries, and a range of international street food stalls.

Finance and Resources.

This department is responsible for everything from finance and processing our £6m annual turnover, to our people and culture team, and the recruitment and engagement of our permanent and student staff workforce, to broader compliance and IT infrastructure.

Our 25-26 officers.

Each year, the student body elects four Sabbatical Officers to work full-time in the Students' Union for one year.

These Officers take the lead on a wide range of issues affecting student life. They listen to student voices, run impactful campaigns, and collaborate with key stakeholders to drive meaningful policy change.

RHSU Priority 8 ensures that the Union's work is shaped directly by students. Rather than relying solely on Officer manifestos, students vote on the issues that matter most to them. The eight most important themes, chosen through this process, become the core priorities that Sabbatical Officers focus on throughout the year—ensuring the Union remains truly student-led.

Olivia Davies
President

The Students' Union President is the Chair of the Board of Trustees, sits on the highest decision-making committee at Royal Holloway, College Council, and is the figurehead of the Students' Union.

Matthew Paterson
VP Education

Not only is the Vice President Education the Deputy President of the Students' Union but they also sit on a number of high-level committees including Academic Board where the academic strategy of the University is decided.

Vaishnavi Vajja
VP Wellbeing & Diversity

With a focus on liberation campaigns, mental and physical health provision and general wellbeing issues, the Vice President Wellbeing & Diversity is a key voice for campaigning on campus.

David Gallardo González
VP Societies & Sport

The Vice President Societies & Sport has joint overall responsibility for developing the support the Students' Union offers to student groups on campus.
