

SU Elections.

GUIDE TO STANDING.

WELCOME.

Deciding on standing in the elections can be a difficult decision: Which role suits you best? What's involved in running? How do you write a manifesto?

But you can rest assured that taking the plunge and putting your name forward for a role will be both a rewarding and exciting experience.

And this short guide covers everything you need to know about the elections. From the roles available through to the key dates for your diary, you'll come out at the end fully prepared to launch your campaign for elected office.

WHO CAN STAND?

All current Royal Holloway students can stand in the SU Elections. It doesn't matter if you're part-way through your studies (you can take a year out) or graduating this year, nor does it matter what course you're studying. This opportunity is open to all international students as well - an extension to a visa can be obtained, and we will help you do this.

The Students' Union is here to represent all students at Royal Holloway so we're searching for students from all walks of life and all areas of study.

There's a range of both full-time paid and part-time voluntary positions available, all of which will enable you to learn a whole host of new skills while developing your leadership abilities.

>> FULL-TIME POSITIONS

Full-time positions require you to take a year out from your studies if you aren't in your final year. You will receive a salary of **£27,148** per annum (inclusive of London Allowance) and have 22 days holiday, plus bank holidays and extra discretionary leave during the Christmas period.

- President
- Vice President Education
- Vice President Wellbeing and Diversity
- Vice President Societies & Sport

>> PART-TIME POSITIONS

Part-time positions are voluntary and are designed to run alongside your studies.

- NUS Delegate (three positions available)
- School Rep (six positions available, one per school)

>> IS THERE ANYONE WHO CAN'T STAND?

Most of the positions available in the SU Elections are open to all Royal Holloway students. However, the full-time positions have additional criteria which is stipulated in charity law due to the trustee aspect of the roles. You can't stand for these roles if:

- You have an unspent conviction for an offence involving dishonesty or deception
- You are currently declared bankrupt, subject to bankrupt restrictions or are subject to an interim order
- You have an individual voluntary arrangement to pay off debts with creditors
- You are disqualified from being a company director
- You have previously been removed as a trustee by either the Charity Commission or the high court due to misconduct or mismanagement
- If you have already been a full-time President or Vice President of Royal Holloway Students' Union for two years.

HOW DO I NOMINATE MYSELF?

Nominating yourself is really easy. Simply head over to the online nomination form on the Students' Union website, fill it in and hit the submit button to join the election.

You'll need the following when filling in the form:

WHAT IS A MANIFESTO?

You're required to submit a manifesto as part of the nomination process. This is your chance to state what you intend to do should you get elected. It includes what you would do for students and the Students' Union.

Your manifesto will be available for voters to see online, both on website and in the ballot. It should be 400 words of plain text and consider the following:

- Why do you think you're the best person for the role?
- What would you like to achieve in this role?

Want to know more about writing a manifesto? Read the Manifesto Guide, attend our Manifesto Writing Workshop or email the Student Voice team at **voice@su.rhul.ac.uk** to organise a time to come in and have a chat.

IS THERE A BUDGET?

To ensure that the SU Elections are fair, all candidates must adhere to set budgets. At the end of the campaign period you need to submit your budget along with receipts for all the costs you have incurred using the official budget form. You can find this in the online Candidate Hub.

Candidates for sabbatical officer positions are allowed to spend up to £50 of their own money on campaign resources (non-refundable).

Candidates for part-time voluntary positions are allowed to spend up to £20 of their own money on campaign resources (non-refundable).

The Students' Union will provide up to £10 worth of printing without charge and up to five campaign team t-shirts.

It's worth thinking about your campaign expenditure early on so that you can plan your main areas of spend but also remember that it's not always the candidate who spends the most that wins – so use your budget effectively and use the mantra, quality over quantity.
